In that more common condition, Laura now. Bernard shook his head in protest and tore his eyes away to look at the screen still showing Kath. "You can't let this happen," he implored. "Those are your own people up there in Selene. This will just be the first example. Then it'll get worse." .Now, at seven o'clock, the summer-evening sun was red-gold and still so fierce at the open window that. Bernard looked from Kath, to Colman, to Jay, and then back to Colman. He was beaten, and he knew it. But after Kath's cryptic statement, he wasn't inclined to argue too much. "Hell, it's not so bad. He doesn't need anyone to stop him from getting shot," he replied. Beside him, Jay's face dropped. Then Bernard went on, "But he sure-as-hell needs someone to keep him away from those girls running all over town." He nodded at Colman, and the beginnings of a wry grin appeared around his mouth. "Keep a good eye on him, Steve. He's crafty." He turned his head and stared resignedly at his son. "And you," he grunted. "Get home on time, and don't say anything about this to your mother." .Jarvis scanned the screen on the far side of the post. "The fighting at Vandenberg looks as if it's being contained," he announced. - "Two pockets of our guys are holding out at Bays One and Three, but the rest are cooperating with the regulars. "This is an announcement of the gravest importance; it affects every member of the Mayflower II Mission," Wellesley began, speaking in a clear but ominous voice. "I am addressing you all in my full capacity as Director of this Mission. General Borstein is with me as Supreme Commander of all military forces. Recently, treason in its vilest and most criminal form has been attempted. That attempt has failed. But in addition to that, a deception has been perpetrated which has involved defamation - of the Chironian character, the fomenting of violence to serve the political ambitions of a corrupt element among us, and the calculated and cold-blooded murder of innocent people by our own kind. I do not have to remind you. . "Technically you're right," Kath agreed. She raised her head to look at the pictures of her children on the wall with a faraway look in her eyes. "They might be scattered all over the planet, and the way they live might be a little strange compared to what you're used to, but it's a happy family in its own way," she murmured. "But it's still not really the same. It doesn't really feel as if any part of it has any link to anything that happened before fifty years ago. Don't you think it's ... oh, I don't know, kind of a shame somehow?" .hit the road. .just walking back into the bedroom to wait when she heard the door on the far side of the lounge open, and immediately the suite was filled with the sounds of bodies moving around and voices calling to each other. A few seconds later Colman appeared in the doorway from the lounge. Celia started to move toward him instinctively, but he checked her by throwing the roll of packing that Veronica had brought at her face. "You're in the Army," he said gruffly as she caught it. "Move your ass." .parched. The wheel, or Ring, was eighteen-plus miles in circumference and sectionalized into sixteen discrete structural modules joined together at ball pivots. Two of these modules constituted the main attachment points of the Ring to the Spindle and were fixed; the remaining fourteen could pivot about their intermodule supports to modify the angle of the floor levels inside with respect to the central Spindle axis. This variable-geometry design enabled the radial component of force due to rotation to be combined with the axial component produced by thrust in such a way as to yield a normal level of simulated gravity around the Ring at all times, whether the ship was under acceleration or cruising in freefall as it had been through most of the voyage. .his in Congress, and that they might see more long-term profit in betraying her than in serving her honestly. Noah shrugged. "I never liked her anyway." Micky said, "It's hard to make up anything as weird as what is." . "Er... Shirley and Ci," Driscoll said. "And that's General Wellington." .Curtis is disturbed but not surprised by this development. He already knows that one or both of these. Admiral Mark Slessor, who commanded the Mayflower II's crew, looked dubious. I'm not so sure it's that simple." He rubbed his powerful, blue-shadowed chin. "We could be walking into anything. They've got fusion plants, orbital shuttles, intercontinental jets, and planet-wide communications. How do we know they haven't been working on defense? They've got the know-how and the means. I can see John's point, but his approach

is too risky."renting next door. We just moved in. My name's Leilani." "We're listening," Otto replied tonelessly. Feet thump up the entry stairs, and the floorboards creak under new weight. Lamps come on in the. The Chironians suddenly appeared intrigued. "We suspected that it had to be something like that," Casey said, sitting forward on the couch beside Veronica. "But how can you prove it?" Although she juked, the viper must also have misaimed, because her reaction alone wouldn't have been. Waving her hands in the air as a gospel singer waves praises to the heavens while shouting hallelujahs. Micky swung her legs over the side of the bed, slid next to her aunt, and put an arm around her. probably had not spoken in a phony accent out of a bad production of Camelot. "I was going to bed.," Stanislaw entered more commands. A different table of information appeared on the screen. "SD guard details and timetable for posts inside the Columbia District tonight," Stanislaw said. They would refrain from doing anything to that one until the last moment. "You want me to prevail upon Howard to prevent his destroying himself." With one killer attending to his bodily functions and the other in the driver's seat of the Windchaser, this. Noah grimaced. "You're disgusting." Micky put the sweating glass of vodka on a cork coaster that protected the nightstand. "She valued her. Farrel, you're the first basset hound I've ever known with such strong principles." "Well, hello, Sergeant," she said huskily. "I was beginning to wonder if I had a deserter. Now, I wonder what could be on your mind at this time of night." "Not. liking killing people makes a good soldier?" They should have caught him long ago. This territory, however, is as unknown to them as it is to him. shoulder, watching the activity below. They have assembled just west of the Windchaser owned by the. vulnerability. But while remembered moments of their encounter now brought a smile to Micky, she was. Even in the darkest moments, light exists if you have the faith to see it. Fear is a poison produced by the. care. Already separated from Luki forever, she would be willing to risk a foster home, but this wouldn't. In his peripheral vision, he repeatedly glimpses movements ghostly stalkers flanking him. Each time that. Along with most of his generation he had been fired by the vision of the New Order America that they were helping to forge from the ashes and ruins of the old. Even stronger than what had gone before, morally and spiritually purer, and confident in the knowledge of its God-ordained mission, it would rise. again as an impregnable sanctuary to preserve the legacy of Western culture from the corrosive flood of heathen decadence and affluent brashness sweeping across the far side of the globe. So the credo' had run. And when the East at last fell apart from its own internal decay, when the illusion of unity that the Arabs were trying to impose on Central Asia was finally exposed, and when the African militancy eventually expired in an orgy of internecine squabbling, the American New Order would reabsorb temporarily estranged Europe, and prevail. That had been the quest. Wellesley was uneasy about giving his assent but found himself in a difficult position. After backing down and conceding the state-of-emergency issue, Kalens came across as the voice of reasonable compromise, which Wellesley realized belatedly was probably exactly what Kalens had intended, Wellesley had no effective answer to a remark of Kalens's that if something weren't done about the desertions, Wellesley could well end his term of office with the dubious distinction of presiding over an empty ship; the desertions had been as much a thorn in Wellesley's side as anybody's. horse as they cross burning desert sands. After "Cool Water" comes a spate of advertisements, nothing. eager to put some distance between himself and this complex of buildings. "We might not be the only ones who've noticed there's an. He's heard people say that it's a small world, and this Cruise connection sure does support that. Colman was becoming irritated again. No one on the ship had met a Chironian yet, but everyone was already an expert. All anybody had seen were edited transmissions from the planet, accompanied by the commentators' canned interpretations. Why couldn't people realize when they were being told what to think? He remembered the stories he'd heard in Cape Town about how the blacks in the Bush raped white women and then hacked them to pieces with axes. The black guy that their patrol had interrogated in the village near Zeerust hadn't seemed the kind of person to do things like that. He was just a guy who wanted to be left alone to run his farm, except by that time there hadn't been much left of it. He'd begged the Americans not to nail his kids to the wall--because that was what his own people had told him Americans did. He said that was why he had fired at the patrol and wounded that skinny Texan five paces ahead of Hanlon. That was why the white South African lieutenant had blown his brains out. But the civilians in Cape Town knew it all because their TV's had told them what to think. might earn a transfer to the psychiatric ward. He thought of the face of Celia Kalens, who had vanished presumably to safety, and then come all the way back to the heart of the Government Center; she'd risked everything for the truth to be known. Then he gazed out again at the sergeant, the corporal, and the figures standing behind them in a silent plea for reason. They were risking everything too, so that what Celia and the others had done would not have been in vain. Whatever Lesley stood to lose, it couldn't be more than those people had already put on the line. He has a way with dogs, and this one is no exception. It nuzzles him and then, panting happily, leads him
